Preserving tradition, culture, and history through music and art ~ [www.trytularosa.org](http://www.trytularosa.org)

Greetings,

The **Tularosa Arts and History Council** (TAHC) Mission Statement is as follows:

*To increase awareness of the talented artists, rich history and unique culture in and around the Village of Tularosa.*

Whether a legacy or new donor, we are pleased to offer a simple approach to our fundraising strategy.

Instead of sporadic requests throughout the year for specific events, we are adopting a strategy that offers more options and a deeper understanding of our activities. We hope to make your commitment more meaningful to you and more effective for our cause.

- You can make a one-time donation or contribute on a recurring basis at a frequency which is suitable for you or your organization.
- You can specify an event or project you'd like to support or you can indicate that it be used at our discretion.
- For your convenience, donations can be made online at [www.trytularosa.org](http://www.trytularosa.org) or you can download our donation form and mail us a check.

Please refer to the "TAHC Information Sheet" which includes an updated list of our projects, programs and events. If you have any questions, please feel free to contact us at [tularosaartsandhistory@gmail.com](mailto:tularosaartsandhistory@gmail.com) or call the number below.

Thank you for helping to preserve the tradition, culture and history of Tularosa through music and art with your generous contribution.

Gratefully,  
The Tularosa Arts and History Council

### TULAROSA ARTS AND HISTORY COUNCIL

Preserving tradition, culture, and history through music and art ~ [www.trytularosa.org](http://www.trytularosa.org)

We would like to thank you in advance for your generous sponsorship! Your donations will help cover costs of our events and programs, all of which have a common goal: To preserve tradition, culture, and history through music and art. One way we do this is to raise money for our Youthful Artist Scholarship Fund. We want our young people to get a sense of how important our community history is. Art in all its many forms is a recording of the past and hope for the future. It is our goal to assist young artists in their quest to develop not only their artistic skills but their knowledge of the business of art. See our mission statement on page two.

Thank you for your support!
