Preserving Tradition, Culture, and History Through Music and Art ~ www.trytularosa.org

Summer 2023

Whether you have sponsored our events in the past or you are a new donor, we are grateful to have your support.

This year the **Tularosa Arts and History Council** and the **Tularosa Community Ditch Corporation** are co-hosting a family event on Saturday July 29, 2023 at the St Francis School grounds in Tularosa's historic district from 11:00 am to 5:00 pm. The event will have live music, food, games for the kids, giveaways, demonstrations, educational information on water preservation, art vendors and will also include a rubber duck race down one of the original sections of Tularosa's historical acequia.

Your donations will help cover the large insurance costs for the event, publicity around Otero County, contest prizes, set-up/clean-up materials, entertainment and other related costs. Any remaining proceeds from the event will benefit the mission of the Tularosa Arts and History Council and help to further educate the local community on the history and preservation of our treasured acequia system throughout the village of Tularosa and surrounding agricultural farmers who are actively working their lands.

We can't hold this event and others like it without sponsors!

If you have any questions, please feel free to contact me at (505) 350-4531. Thank you in advance for your support.

Respectfully,
Michael Gruger
Tularosa Arts and History Council
