Duck Races 2024

The **Tularosa Arts and History Council, (TAHC)** is once again hosting our **Rubber Duck Races** on **Saturday June 8, 2024** in Tularosa's historic district at the corner of Encino and 2nd Streets, from **11:00 am to 4:00 pm**. The event will have music, food, games for the kids, giveaways, demonstrations, educational information on water preservation, art vendors and will also include a rubber duck race down one of the original sections of Tularosa's historical acequia!

Whether you have sponsored our events in the past or you are a new donor, we are grateful to have your support. Your donations will help cover the insurance costs for the event, publicity around Otero County, contest prizes, set-up/clean-up materials, entertainment and other related costs. Any remaining proceeds from the event will benefit the mission of the Tularosa Arts and History Council and help to further educate the local community on the history and preservation of our treasured acequia system throughout the village of Tularosa and surrounding agricultural farmers who are actively working their lands.

We can't hold this community event and others like it without the help of sponsors like you!

If you have any questions, please feel free to contact me at (505) 350-4531. Thank you in advance for your support.

Respectfully,
Michael Gruger
